TERMS OF BUSINESS

EN - IMPORTANT

Reproduction of this catalogue or parts thereof is only allowed with our explicit permission in writing. Pictorial representations and design are copyrighted. Claims for damages, of any form whatsoever, resulting from details made in this catalogue or from incorrect use, application, storage or handling, are explicitly excluded. Contractual rights and any resulting or related claims based thereon, irrespective of form, initially come into being on the basis of a separate written agreement, in particular on the basis of our general terms of sale and delivery. All former statements lose their validity with the publication of this catalogue. The catalogue is not an operating manual for the use and installation of the wipers. It does not contain any advice in a legal sense. The catalogue neither replaces the constantly applicable technical regulations – particularly for tolerances – nor the installation and maintenance stipulations of the individual vehicle manufacturer. Also, it is not possible to forego the expertise of those carrying out the installation and application. The individual references made in this catalogue for the installation and the application of the wipers are instructions solely for the technically qualified specialist and are to be checked and verified by them for their suitability in each case. Federal-Mogul accepts no responsibility for application decisions. The contents of the catalogue are not intended to create or substitute any contractual agreement which has to be reserved exclusively to a separate agreement between 2 identified parties, whereby seller can be only one of our Federal-Mogul entities as mentioned on the back cover page. The right is retained to correct errors and alterations, particularly with regard to amendments in the vehicle manufacturer's details and stipulations.

Az ebben a katalógusban foglaltakkal kapcsolatban, illetve nem megfelelő használatból, alkalmazásból, tárolásból vagy kezeléssel eredően kárigény nem támasztható. A szerződéses jogok, illetve az ezen alapuló vagy ebből eredő követelésék jellegűként egy külön írásos szerződés keretén belül lépnek hatályra, különös tekintettel az általános értékesítési és szolgáltatói feltételeink szerinti. Minden korábbi megállapodás elveszti az érvényességét a katalógus kiadását követően. Ez a katalógus nem egy, az ablaktörő lapátok használatára és beszerelésére vonatkozó kézikönyv. Jogi értelemben nem tartalmaz semmilyen tanácsot. A katalógus nem helyettesíti a mindenkor érvényben lévő műszaki előírásokat (különösen a tűréseket nem), illetve az egyes járműgyártók beszerelési és arbantartási utasításait. Ezen felül nem helyettesíti a beszerelést és alkalmazást végzők tapasztalatát. Az ebben a katalógusban lévő, ablaktörő lapátok beszerelésére és alkalmazására vonatkozó egyes hivatkozások kizárólag műszakilag képzett szakembereknek szólnak, és megfelelőségüket az egyes esetekben nekik kell ellenőrizniük. A Federal-Mogul nem vállal felelősséget az alkalmazással kapcsolatos döntésekért. Ennek a katalógusnak a tartalma nem hoz létre vagy helyettesít egy olyan szerződéses megállapodást, amelyet kizárólag két fél között kívántak létrehozni, ahol az eladó valamelyik, a besző hűsös börtön említett Federal-Mogul mint jogi személy. Fenntartjuk a jogot a hibák kijavítására és a módosításokra, különös tekintettel a motorgyártó részleteinek és a kikötéseinek részleteivel kapcsolatban.
